

AIRCRAFT PLACARD KITS

INTERIOR PLACARD KITS

These quality decal sets are designed to provide all the necessary placards for the interior of various production and homebuilt aircraft. These interior kits are color coordinated to match factory originals. Just cut the decals you want to use from the card and apply to the aircraft interior.

Standard colors for these kits are white letters on black background. With exception to the Grumman kits marked with *. Also, most kits are available special order in black on clear or white on clear
