

TOW BARS

BOGERT TOW BARS (BOGI-BARS)

Light enough to stow Built from a combination of steel for maximum durability comfort grips on the handle and spreader bar chip resistant red bar will look great for years. Operation: extend the handle easily with high shear wick release pin apply forward pressure on the spreader bar to open the wishbone jays. Line up the Bogi-Bar attachment at the tow points or axle depending on model.

Release the tension on the spreader bar and you are locked on! The tow bar will not slip off the plane. Reverse for removal.
