FLIGHTPREP VIDEO COURSES FOR FAA KNOWLEDGE TESTS

Each FlightPrep video course has everything you need to ace your FAA Knowledge Test. Each course contains from 5-10 hrs of video, a course book, practice exams, all current FAA questions along with explanations and correct answers, an instructor sign-off, and a graduation certificate suitable for framing. FlightPrep courses are organized in concise easy-to-follow lessons. Each concept is explained in detail using actual FAA knowledge test questions. All lessons contain 'watermarks' allowing for a quick review and a recap with recommended FAA practice questions ensuring that you have mastered the important subject matter. The instructor team, with more than 95 years of combined experience, is headed by Dr. Roger M. Stenbock CFII. Concepts are explained on-screen, employing the renowned 'chroma key' technique using large 3D graphics and special effects. This personal approach results in an exciting and interesting course which ensures you'll not only learn the required material, but have fun in the process. The real world air-to-air video, shot in & out of the cockpit, gives you a pilot's eye point of view. You'll not only gain complete and thorough knowledge of what the FAA wants you to know, but also the insight you need to be a better prepared pilot. Each course includes 90-day access to the interactive flightprep.com internet ground school for the particular rating which you are studying. This interactive ground school assures you will always study with all the latest FAA questions, answers, explanations, & graphics.
