

RIVET SQUEEZERS

1 - PNEUMATIC "A" COMPRESSION RIVETERS

Alligator "A" Riveters are designed to be used in areas not accessible by other riveting methods. Our riveters are completely interchangeable with Chicago Pneumatic 214 series Squeezers. All Riveters will accept any Squeezer Set with .187" shank.

PART NO.	FORCE (LBS)	CAPACITY	REACH	WEIGHT (LBS)	PRICE
A214-30-A15	3000	1/8"	1-1/2"	3

A214-30 Series

A214-60 Series

2 - PNEUMATIC "C" COMPRESSION RIVETERS

All parts are interchangeable with Chicago Pneumatic Squeezers. Tandem Squeezers use a double piston action to double the force of a single piston squeezer. They will accept any Squeezer Set with a .187" shank. Made in U.S.A.

PART NO.	TYPE	CAPACITY	WEIGHT (LBS)	PRICE
0214-30C	Single	1/8"	4.5	
0214-60C	Tandem	3/16"	5.5

RIVET SQUEEZERS

1 - ATS PROFESSIONAL SWIVEL HAND RIVET SQUEEZER

New design squeezer has a 360° swivel head for greater versatility. 5/8" adjustable ram eliminates the necessity for using shims to obtain the proper stroke (1/2" stroke). Yoke locks in any position. Yokes can be interchanged on either the model 5011 or 5022. Simply buy one squeezer plus a second yoke, and you effectively have two squeezers in one! Longer handles give better leverage for a full 3/16" rivet capacity. Overall length of unit is 21 inches. Gap between jaws is 1-1/4". Does not come with squeezer sets (see squeezer set selection below). Made in U.S.A.

- No. 5011-1A (Ssqueezer with 1-1/2" yoke).....
- No. 5022-3A (Squeezer with 3" yoke)
- No. RS1009A-1 (Replacement 1-1/2" yoke)
- No. RS1008A-3 (Replacement 3" yoke)

2 - ATS PROFESSIONAL HAND/BENCH RIVET SQUEEZER

The new ATS Hand/Bench Rivet Squeezer is a hand squeezer that quickly converts to a bench riveter. Just pin it into its cradle and you have a solid bench riveter; and when you need to use it as a hand squeezer, simply unpin it. The ATS Hand/Bench Rivet Squeezer has the same design features as our popular 5022 squeezer, including a 360° swivel head, and an adjustable ram. It uses all of the same yokes and accessories as the 5022, and will squeeze up to 3/16" aluminum, or 5/32" steel rivets.

- No. 5011-1B (1-1/2" Reach)
- No. 5022-3B (3" Reach)

3 - RIVET SQUEEZER UPGRADE KIT

If you already own one of our 5011-1A or 5022-3A Rivet Squeezers, you can easily upgrade it to the new Hand/Bench style with this kit. Includes complete instructions.

- No. RS-BK.....

4 - SPECIALTY YOKES

Our new specialty yokes adds even more versatility to our popular 5022-DX, 5022, and 5011 Rivet Squeezers. Each yoke is heat treated and precision CNC machined.

Part No.	Description	Reach	Gap Height	Price

RIVET SQUEEZERS

1 - ATS SUPER DUTY RIVET SQUEEZER

The newest addition to our ATS Pro Rivet Squeezer Line is built for hard use, but we must admit it's also one of the best looking squeezers we've ever seen. It's an all **stainless steel** design that's constructed to last a lifetime. The unique unibody styling is drop forged for extra strength and CNC machined to tight tolerances. The yoke (also stainless steel) is engineered to be half the weight of other yokes, yet retain full strength. Finally, the whole thing is beautifully finished in a brush satin look and highly polished surfaces. Has a very solid feel, and a professional look that will complement anyone's toolbox. Squeezes up to 5/32" aluminum (1/8" steel) rivets. Works with any rivet sets, or dimple dies having a 3/16" (.187") shank. Adjustable ram does not need shims. Lifetime warranty.

- No. ATSRs-1SD (1.5" Rivet Squeezer)
- No. ATSRs-3SD (3" Rivet Squeezer)
- No. ATSRs-1SDY (1.5" Yoke)
- No. ATSRs-3SDY (3" Yoke)
- No. 3456-2 (Squeezer Sets, set of 6)

2 - ATS SUPER DUTY RIVET SQUEEZER KIT

The newest addition to our ATS Pro Rivet Squeezer line is built from solid Stainless Steel for hard use. Our new money-saving kit contains everything you'll need to tackle any riveting job. You get our popular ATSRs-3SD 3" Rivet Squeezer, an extra 1.5" yoke, our 17 Piece Dimple Die & Squeezer Set, a Rivet Length Gauge, and a Shop Head Rivet Gauge to help you get the job done right. Our new ATS Rivet Squeezer will easily squeeze rivets up to 5/32" dia. Adjustable ram eliminates the need for shims. This kit is priced at over \$260 if ordered separately.

- No. SDRS-KIT

3 - ATS ECONOMY RIVET SQUEEZER

Our new ATS Pro Series Rivet Squeezer will safely squeeze aluminum rivets up to 5/32" in diameter (up to 1/8" steel rivets). The unibody handles are forged from a single billet of steel and precisely machined. This makes them extremely strong and resistant to breakage. The yoke is made of the highest quality tool steel and hardened to resist flex under stress. An adjustable ram eliminates the need for shims. Lifetime warranty.

- No. ATSRs-1 (1" Rivet Squeezer)
- No. ATSRs-3 (3" Rivet Squeezer)
- No. ATSRs-1Y (1" yoke)
- No. ATSRs-2Y (2" yoke)
- No. ATSRs-3Y (3" yoke)
- No. 3456-2 (Rivet Squeezer Sets, set of 6)

4 - ATS ECONOMY RIVET SQUEEZER KIT

Our newest Rivet Squeezer Kit contains everything you'll ever need to tackle any riveting job. You get our popular ATSRs Rivet Squeeze, plus three yokes in sizes 1", 2" and 3". We've also thrown in our 6 Piece Squeezer Set to help you get the job done right. Our new ATS Rivet Squeezer will easily squeeze rivets up to 5/32" dia. The yokes are made of tool steel and hardened to resist flex. Adjustable ram eliminates the need for shims.

- No. ATSRs-KIT (Complete Kit)

RIVET SQUEEZERS

1 - COMPOUND HAND RIVET SQUEEZER

Compound leverage develops 3,500 lbs. of force and can easily squeeze 3/32", 1/8", 5/32", and 3/16" rivets. Also can be used with dimple dies (see our Dimple Die section). Adjustable ram. Yoke swivels 360° and can be locked in any position. Overall length is 19". Manufactured by Roper Whitney. Made in U.S.A.

PART NO.	REACH	GAP HEIGHT	PRICE
DA-2	2-1/2"	1-5/8"	
DA-5	6"	1-5/8"	

2 - PNEUMATIC BENCH MODEL RIVET SQUEEZERS

All units come equipped with an adjustable lower set holder, bench mounting brackets, hoses and foot control. Accepts all squeezer sets with a .187" shank. Available in a variety of yokes and power units. Made in U.S.A.
